(d) what is the requirement of levy cement of Gujarat for the years 1988 and 1989 and what quantum i$_g$ proposed to be allocated to the States during the above two years?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT IN THE MINISTRY OF INDUSTRY (SHRr M. ARUNACHALAM): (a) the allocations of levy cement are made after taking into account the limited availability of levy cement and the need for execution of development works in the priority sectors. Additional *ad hoc* allocations are also made at times to meet urgent requirements on account of national calamities and execution of certain special projects. Hilly and inaccessible regions are given special consideration.

As regards the non levy cement, it is free from distribution control and as such the question of guidelines for its allotment does not arise.

(b) In view of the limited availability of levy cement, the requirements of State Governments for levy cement are not obtained on a regular basis and the State Governments have also not been indicating their requiremets on a regular basis.

(c) A statement shewing the allocation and actual supply of lew cement to each State under State Quota (excluding irrigation and power) during the years 1983 to 19fe7 is attached. TSee Appendix CXLV. Annexure No. 122]

Supply of levy cement is made a« the rate fixed under the provisions «*i* Cement Control Order, 1957 from time to time.

(d) As stated in reply to part (a) of the Question, in view of the limited availability of levy cement, the requirements of State Governmnets for levy cement are net obtained on a regular basis. The allocation to the States is made on a quarterly basis after estimating cement production and taking into account the availability of levy cement in each quarter. In quarter 1/88 (Jan-March, 1988) Gujarat State was allocated a quantity of 37, 200 M. T.
